### Motion for consideration:

That staff in the Development Services Department investigate the feasibility of the following and report back to General Committee:

- implementing parking restrictions on both sides of Huronia Road from the intersection of Lockhart Road to a point 150 m north; and
- implementing parking restrictions on the northeast side of Lockhart Road from the intersection of Huronia Road to a point of 100 m east.

### Reason or Rationale in support of the motion:

Unsafe parking on the shoulder of Huronia & Lockhart, for over a year now, necessitates staff to investigate parking restrictions
