Motion for consideration:

That staff in the Development Services Department investigate the feasibility of no parking on one side of Alexander Ave from Johnson Street to Steel Street and report back to General Committee.

Reason or Rationale in support of the motion:

1. Alexander Ave is a narrow street with parking permitted on both sides
2. When cars are parked, the road is reduced to one lane, which results in difficulty for through traffic.
3. Some of the staff of Johnson Street School park on Alexander Street all day
