

Notice – Item for Discussion

Submitted by:	Councillor Harris
Subject:	Parking Restrictions – Rawson Avenue and Lockhart Road
Reference Committee Name:	Executive Committee
Reference Committee Date:	April 1, 2026
General Committee Date:	April 15, 2026
City Council Date:	April 22, 2026

Motion for Consideration:

That staff in Development Services investigate the feasibility of implementing on-road parking restriction for Rawson Avenue from the corner of Lockhart Road to approximately 81 Rawson Avenue and report back to General Committee.

Reason or Rationale in support of the motion:

Several businesses on the section of road have expressed concerns with the impact of on street parking on visibility at the bend and in safely existing driveways. Often the vehicles that are parked are large transport trucks and trailers which significantly narrows the road which is also regularly used by large vehicles

Linkage 2022-2026 Strategic Priorities:

Community Safety
