<b>Submitted by:</b>	Deputy Mayor Thomson
<b>Subject:</b>	Parking in front of super mailboxes
<b>Reference Committee Name:</b>	Executive Committee
<b>Reference Committee Date:</b>	April 1, 2026
<b>General Committee Date:</b>	April 22, 2026
<b>City Council Date:</b>	April 29, 2026

### Motion for Consideration:

That staff in the Development Services install no parking signage at the super mailbox locations as a pilot project in Ward 5 and staff in Development Services work with the ward councillor to identify the areas of concerns to where the signage should be installed.

### Reason or Rationale in support of the motion:

Parking in front of super mailboxes can become a safety issue depending on where the mailbox is located on the street (ie bend). Implementing a pilot would assist staff in determining whether or not this should be looked at City wide.

### Linkage 2022-2026 Strategic Priorities:

Community Safety
