

Notice – Item for Discussion

Submitted by:	Councillor Nixon
Subject:	No Stopping – Dunlop Street East
Reference Committee Name:	Executive Committee
Reference Committee Date:	April 1, 2026
General Committee Date:	April 15, 2026
City Council Date:	April 22, 2026

Motion for Consideration:

That staff in Development Services staff investigate the implementation of a “No Stopping” restriction at the easterly limit of 185 Dunlop Street East and report back to General Committee.

Reason or Rationale in support of the motion:

This is currently a no parking area; however it is used by vehicles for temporary stopping which severely impedes the ability of vehicles exiting both the Lakhouse and Flamenco building to see oncoming traffic moving eastbound on Dunlop St. Changing to “no stopping” with yellow lines on pavement would reduce the amount of vehicles stopping and increase safety.

Linkage 2022-2026 Strategic Priorities:

Community Safety
